```

The diagram consists of two rectangular boxes. The top box is white with a black border and contains the text 'camp_rxn_data::rxn_update_data_t'. The bottom box is grey with a black border and contains the text 'camp_rxn_emission::rxn_update_data_emission_t'. A blue arrow points from the top of the grey box to the bottom of the white box, indicating a flow or relationship from the emission data to the rxn update data.
