

rxn_wennberg_no_ro2
_update_env_state

```
graph LR; A["rxn_wennberg_no_ro2  
_update_env_state"] --> B["calculate_A"]
```

A flowchart with two rectangular boxes. The left box is light gray with a black border and contains the text 'rxn_wennberg_no_ro2' on the top line and '_update_env_state' on the bottom line. A dark blue arrow points from the right side of this box to the left side of a second box. The second box is white with a black border and contains the text 'calculate_A'.

calculate_A
