

```
camp_camp_solver_data  
::camp_solver_data_t  
::finalize
```

The diagram consists of two rectangular boxes connected by a blue arrow pointing from left to right. The left box is white with a black border and contains three lines of text: 'camp_camp_solver_data', '::camp_solver_data_t', and '::finalize'. The right box is gray with a black border and contains two lines of text: 'camp_camp_solver_data' and '::finalize'.

```
camp_camp_solver_data  
::finalize
```
