

camp_property::get_key

```
graph LR; A[camp_property::get_key] --> B[camp_property::key]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box has a light gray fill and a black border, containing the text 'camp_property::get_key'. The right box has a white fill and a black border, containing the text 'camp_property::key'. A dark blue arrow points from the right side of the left box to the left side of the right box.

camp_property::key
