

camp\_property::property  
\_t::finalize

```
graph LR; A[camp_property::property_t::finalize] --> B[camp_property::finalize]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is shaded gray and contains the text 'camp\_property::property\_t::finalize'. The right box is white with a black border and contains the text 'camp\_property::finalize'. A dark blue arrow points from the right side of the left box to the left side of the right box.

camp\_property::finalize
