The diagram illustrates a dependency or relationship between three functions. On the left, two white rectangular boxes are stacked vertically. The top box contains the text 'camp_mpi::camp_mpi' followed by '_pack_real_array_2d' on the next line. The bottom box contains 'camp_mpi::camp_mpi' followed by '_unpack_real_array_2d' on the next line. On the right, a gray rectangular box contains the text 'camp_mpi::camp_mpi' followed by '_pack_size_real_array_2d' on the next line. Two blue arrows originate from the right side of the left boxes and point towards the left side of the gray box. The top arrow starts from the right side of the top white box and points to the middle of the gray box. The bottom arrow starts from the right side of the bottom white box and points to the middle of the gray box.
