

camp_camp_solver_data
::camp_solver_data_t
::finalize

```
graph LR; A["camp_camp_solver_data  
::camp_solver_data_t  
::finalize"] --> B["camp_camp_solver_data  
::finalize"]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow pointing from left to right. The left box has a light gray fill and a black border. It contains three lines of text: 'camp_camp_solver_data', '::camp_solver_data_t', and '::finalize'. The right box has a white fill and a black border. It contains two lines of text: 'camp_camp_solver_data' and '::finalize'. A blue arrow points from the right side of the left box to the left side of the right box.
