

```
camp_aero_phase_data  
::aero_phase_data_t::  
  finalize
```

```
graph LR; A["camp_aero_phase_data  
::aero_phase_data_t::  
  finalize"] --> B["camp_aero_phase_data  
::finalize"]
```

A diagram showing a function call. On the left, a gray-shaded rectangular box contains the text 'camp_aero_phase_data', '::aero_phase_data_t::', and 'finalize' on three lines. A blue arrow points from the right side of this box to the left side of a white rectangular box on the right. The white box contains the text 'camp_aero_phase_data' and '::finalize' on two lines.

```
camp_aero_phase_data  
::finalize
```
