

camp\_util::interp\_1d

```
graph LR; A[camp_util::interp_1d] --> B[camp_util::find_1d]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is white with a black border and contains the text 'camp\_util::interp\_1d'. The right box is gray with a black border and contains the text 'camp\_util::find\_1d'. A blue arrow points from the right side of the left box to the left side of the right box.

camp\_util::find\_1d
